Dr. David Kominz, Member
Dr. Elisabeth DiPietro, Member
Wendy Diotalevi, R.S., Public Health Director
Beth Ann Boles, R.S., Health Agent
Michele Schuckel, R.N., COVID-19 Response Team Public Health Nurse

I. Director's Report – COVID-19 Update

Public Health Director Wendy Diotalevi updated the Board that the flu clinic has been postponed. There has not been an agreement with the proposal for the set-up of a drive-through plan from the Town Manager's office yet. Standing orders from the State have not been received to date.

A proposal for a Senior Pep Rally came last minute for review to the Emergency Management Team (EMT). Proposed 100 people when only 50 are allowed per current orders for gatherings. Since the event is not considered school sponsored the EMT said they would not allow it to happen as it is a social gathering without purpose and there is not an educational reason for a large crowd to gather even at 50 people.

COVID-19 Public Health Nurse Michele Schuckel updated the Board that she is continuing to work with the schools. The school nurses will work with the Board of Health for contact tracing. There are currently 8 positive cases of COVID in Weston. No positives within the schools. There is no community spread.
